## Controls

You can move your character using the number pad or the arrow keys.

7 8 9

4 6

1 2 3

G - grab an item off of the floor

D - Drop an item that you're holding

Q - Quaff a liquid (Quaff is a word meaning 'drink', it's often used in roguelike games... if it helps, just remember that 'Q' Quenches thirst!)

I - Inventory screen, see what your character is carrying

ESC - The Escape key will exit the menu that you are currently on.  
Pressing Escape during the game will allow you to either shut down the game or exit the the main menu to start a new game.
